ABOUT THIS JOURNAL

The *International Journal of Gastronomy Research* (eISSN: 2980-1532) is an anonymous peer-reviewed academic journal that focuses on gastronomy research. The journal is an international journal, published twice a year (June and December), and its publication language is English only.

The *International Journal of Gastronomy Research* is an **diamond open access** journal. There is **no fee** for submission and publication. The journal aims to contribute to the development of gastronomy science by ensuring dissemination of knowledge on gastronomy, culinary arts, and all its related fields based on scientific principles. The journal welcomes both research and review articles on gastronomy science.

Licensing (CC BY-NC) : It is permitted to remix, adapt, and create derivative works for non-commercial purposes, with the requirement that proper attribution is provided to IJGR. Authors are also free to share their complete publications without any limitations.

Publishing: This issue has been published online by IPEAK ACADEMY LTD (United Kingdom) on 31 Dec 2024.
